

Sandringham East Primary School Foundation Transition Form for 2019 students

Dear 2019 Foundation Parents,

The following SEPS transition form is intended to support a seamless transition from preschool to school.

The information in the form, in conjunction with your child's 'Transition Learning and Development Statement', assists the Foundation teachers with supporting your child's transition and **class placement** for the 2019 school year. Please note we do not receive the kindergarten transition statements until later in the school year, hence the need for the completion of the SEPS transition form by mid-October.

Please complete the SEPS transition form and return to the school no later than Thursday October 11. The form can be emailed prior to this date, or a hard copy given to Kelly Ransom or Amy Sellick at the first Term Four transition visit on Thursday October 11.

The Foundation transition form can be emailed to sandringham.east.ps@edumail.vic.gov.au
Prior to emailing please rename the form as your child's transition form e.g., KellyRansom2019.
