

Foundation 2018 Newsletter— Issue 1

Dear Parents of 2018 Foundation Students,

On behalf of the Sandringham East Primary School (SEPS) community I would like to take this opportunity to welcome your family to our school.

This is the first edition of our SEPS Foundation transition newsletter. The Foundation transition newsletter is emailed to parents who have enrolled their child to commence SEPS in the 2018 Foundation program. As part of our communication processes, additional newsletters and flyers will be emailed throughout the semester to relay information about our upcoming transition program.

We would like to take this opportunity to thank those who have attended our recent transition story-time sessions. If you have been unable to attend these, there is no need for concern as there will be a number of additional transition events held during term 4. Details of these events can be found on the following pages of this newsletter.

Foundation Placement Form for 2018 Foundation Children

At the beginning of September a placement form will be emailed to all parents of children who are enrolled at SEPS to commence the 2018 Foundation program. The placement form provides the Foundation teaching team with valuable information to support your child with the transition from preschool to school. Additionally the information provided will assist with the class placement of your child for the 2018 school year.

Parents are requested to complete the form and return to the school by Tuesday October 17.

SEPS Newsletter

The SEPS weekly newsletter is distributed electronically. Parents of 2018 Foundation children who would like to receive an electronic copy of our weekly newsletter, to keep up with all the news from SEPS, are invited to subscribe. To receive a weekly electronic copy of our newsletter please click on this link <http://www.sepsnews.com/subscribe>.
