

## Parent Buddy Program

At Sandringham East Primary School (SEPS) we offer a Parent Buddy Program. The program assigns a current SEPS family to a new family to support the transition into the SEPS community. Having a family to contact to ask questions relating to SEPS programs and processes has been found to be most beneficial for SEPS families (current and incoming).

If you are interested in participating in this program please complete the form below and return to the Sandringham East Primary School administration office.
