PURPOSE

To explain to our school community the Department's and Sandringham East Primary School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices such as smartwatches, during school hours.

SCOPE

This policy applies to:

1. All students at Sandringham East Primary School and,
2. Students' personal mobile phones and other personal mobile devices such as smartwatches brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

Sandringham East Primary School understands that students may bring a personal mobile phone or other personal mobile devices to school such as smart watches, particularly if they are travelling independently to and from school.

At Sandringham East Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours.
- Exceptions to this policy may be applied if certain conditions are met (see below for further information).
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Use of personal mobile phone and other personal mobile devices, such as smart watches

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Sandringham East Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Mobile phones and other personal mobile devices owned by students at Sandringham East PS are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone and personal mobile devices to school unless there is a compelling reason to do so. Please note that Sandringham East Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Sandringham East Primary School's Personal Property Policy AND Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Sandringham East PS will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Sandringham East Primary School, students are required to hand their devices into the school administration office to be placed in a lockable storage box.
