

## Afternoon Tea Party for 2019 Foundation Families

Dear 2019 Foundation Parents,

As part of the Foundation transition program, SEPS will host an afternoon tea party for all 2019 Foundation families. This is a popular event that has been well attended over the last few years.

The tea party provides children and parents with an opportunity to get to know one another whilst interacting in a range of informal activities.

2018 Foundation parents and teachers will be available to chat about the Foundation year and starting school.
