

## Term Four Transition Program Visit the Specialists - Session 1

Dear 2019 Foundation Parents,

This term we have a number of transition events organised for enrolled 2019 Foundation children. The first session on the calendar is a visit to the specialist teachers on Thursday October 11 from 9:45-10:45am. During this session the children will participate in a Visual Arts and Mandarin lesson. We recommend attendance at all the Term Four transition events to provide the children with every opportunity for a confident and positive start to their school life.

Parking is available in the side streets. Please be aware this is a busy time of the school day.
